MERGERSCORP

Empresa comercial lucrativa que lida com crédito de carbono

Vende-se uma empresa inglesa lucrativa que lida com créditos de carbono. Um crédito de carbono é um certificado ou uma licença negociável que representa o direito de emitir uma quantidade definida de dióxido de carbono ou a quantidade equivalente de um gás de efeito estufa diferente (tCO₂e).

Os créditos de carbono e os mercados de carbono são um componente das tentativas nacionais e internacionais de mitigar o crescimento das concentrações de gases de efeito estufa (GEEs). Um crédito de carbono é igual a uma tonelada de dióxido de carbono ou, em alguns mercados, gases equivalentes a dióxido de carbono. O comércio de carbono é uma aplicação de uma abordagem de comércio de emissões. As emissões de gases de efeito estufa são limitadas e, em seguida, os mercados são usados para alocar as emissões entre o grupo de fontes regulamentadas.

Há dois tipos de créditos. A redução voluntária de emissões (VER) é uma compensação de carbono que é trocada no mercado de balcão ou voluntário por créditos. A redução certificada de emissões (RCE) se baseia em unidades de emissão (ou créditos) criadas por meio de uma estrutura normativa com o objetivo de compensar as emissões de um projeto.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
