Negócio de produção de aves e ovos

Buscando um parceiro de investimento para ajudar a expandir o negócio existente de produção de aves e ovos. A empresa está envolvida na criação e no processamento de frango, peru, ovos e produtos de carne relacionados. O investimento proposto será alocado em várias iniciativas importantes destinadas a aumentar significativamente a capacidade de produção e as operações downstream.

Especificamente, o capital será utilizado para adquirir primeiro parcelas adicionais de terra adequadas para uso agrícola. Nesse terreno recém-adquirido, construiremos uma nova unidade de criação de frangos de corte voltada para a criação de frangos e perus em escala comercial. Ao mesmo tempo, os fundos de investimento serão destinados ao desenvolvimento de um complexo de processamento e embalagem de carne de última geração. Essa instalação processará ainda mais frango, peru e ovos crus em produtos de valor agregado, como salsichas e outros itens preparados prontos para distribuição.

Os fundos também construirão a infraestrutura de transporte necessária para transportar com eficiência aves vivas, matérias-primas e produtos acabados entre nossas instalações e para os clientes. Um novo centro de distribuição de atacado será estabelecido para servir como um hub para atendimento de pedidos e entregas de última milha.

Por fim, busca-se investimento para criar um canal de vendas on-line e as integrações correspondentes da cadeia de suprimentos. Isso permitirá que nosso portfólio de itens de aves, ovos e carnes seja listado e comprado diretamente em mercados e plataformas de comércio eletrônico usados pelos principais supermercados e hipermercados.

De modo geral, essa expansão tem como objetivo posicionar a empresa como um provedor líder totalmente integrado verticalmente na região
