O Cazaquistão tem recursos hídricos abundantes, que se concentram principalmente nas regiões leste e sul do país. Atualmente, 15 grandes usinas hidrelétricas (>50 MW) com uma capacidade total de 2,25 GW representam até 13% da capacidade total de geração do país.

O Cazaquistão se posiciona como um país promissor para o desenvolvimento e a implementação de projetos hidrelétricos em seu território. O estado estabelece um plano ambicioso para atingir a participação de 50% da produção de eletricidade no país usando fontes de energia renováveis até 2050 (doravante denominada "FER").

Os recursos de energia hidrelétrica estão distribuídos por todo o país, mas três áreas têm recursos particularmente grandes: a bacia do rio Irtysh e seus principais afluentes (Bukhtarma, Uba, Ulba, Kurchum, Kardzhil), a zona sudeste com a bacia do rio Ili e a zona sul com as bacias dos rios Syrdarya, Talas e Chu.

Visão geral

O objetivo do projeto é a construção de 4x cascata de pequenas usinas hidrelétricas com uma capacidade total de 33,00 MW

O projeto tem um escopo local e regional. O projeto destina-se a cobrir a parte básica dos cronogramas de carga elétrica do centro de energia de Almaty, região de Almaty da República do Cazaquistão. A cascata no rio consiste em quatro pequenas usinas hidrelétricas. Cada UHE da cascata é uma combinação de estruturas hidráulicas e equipamentos tecnológicos, que convertem a energia gravitacional da água em energia mecânica do fluxo e, em seguida, em energia elétrica, que é posteriormente entregue aos consumidores.

Pontos-chave

- Status: Pronto para construir
- Objetivos do projeto: Construção de uma cascata de pequenas usinas hidrelétricas na região de Almaty para: uma fonte de eletricidade ecologicamente correta para fornecimento aos consumidores na região de Almaty; aumentar a confiabilidade do sistema de energia da região. – reduzir a escassez de eletricidade na região de Almaty.
- Capacidade instalada: 33 MW (estimado)
- Geração de eletricidade: 140 GW / ano (estimado)
- Tarifa de eletricidade com IVA/sem IVA: 41,23 Tenge por kWh (0,093 USD / kW) Tecnologia: Unidades hidrelétricas com turbinas radiais-axiais (2x turbina "Ossberger" para 4 UHEs)

MERGERSCORP M&A INTERNATIONAL IS A GLOBAL BRAND OPERATED BY MERGERSUS INC.A US CORPORATION WITH REGISTERED OFFICE
AT 40TH WALL STREET, SUITE #2725, NEW YORK, NEW YORK 10005, UNITED STATES OF AMERICA.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
