Negócio estratégico de fabricação de armas e munições

A fábrica de armas e munições, localizada a apenas três horas a noroeste de Bucareste, é um ativo estratégico raro. Anteriormente uma das maiores instalações da Europa, seu verdadeiro valor reside não apenas em sua infraestrutura, mas também em sua construção, zoneamento e licenças – ativos que levariam anos para serem reproduzidos. Juntamente com as licenças operacionais de nossa corporação, isso nos permite iniciar a produção imediatamente, simplesmente atualizando o equipamento e ativando a instalação.

No atual cenário de defesa em rápida evolução, a modernização de armas e armamentos é fundamental. Nossa abordagem garante que as forças armadas tenham acesso à tecnologia e ao armamento mais recentes, proporcionando uma vantagem estratégica decisiva. Ao aproveitar essa instalação, aceleramos o tempo de colocação no mercado, reduzimos as despesas de capital e atendemos a uma demanda global crescente, ao mesmo tempo em que fortalecemos a segurança nacional e regional.
