

Projeto de mineração de ouro

MERGERSCORP

Projeto de mineração de ouro

Esse investimento ocorreu na cidade de Najran, no Reino da Arábia Saudita, e foi realizado por cidadãos sauditas que perceberam a oportunidade e o grande valor da fortuna mineral de suas terras. Duas mentes brilhantes tomaram a iniciativa de iniciar seu próprio negócio de mineração em sua terra natal e agora estão no processo de transformar esse negócio em uma das minas mais importantes do Reino da Arábia Saudita, sob a supervisão do Ministério da Indústria e Recursos Minerais e sob a orientação da visão de S.A.R. o Príncipe Mohammed bin Salman para a visão do Reino de 2030.

Escopo do trabalho

A primeira etapa exigiria o investimento em 6 locais diferentes, nos quais seriam extraídos os seguintes minerais:

Sites de Minging:

Mina de minério de ferro: Um local com mais de 70% de porcentagem de ferro.

Mina de ouro: precisa de um estudo e pesquisa geológica para encontrar a reserva nos próximos cinco anos.

Mina de sílica: precisa de um levantamento e estudo geológico para encontrar a reserva nos próximos cinco anos.

Cada local inclui plantas de transformação, refino e armazenamento.

Cada local é organizado e depende do Ministério da Indústria e Recursos Minerais.

Planos e licenças

As licenças e os levantamentos geológicos estão em processo no momento e são facilitados pelo governo em apoio à nova visão de 2030. A visão do Reino para o crescimento do setor industrial é um dos fatores críticos para o sucesso desse investimento. Cada local é arrendado pelo governo por mais de 20 anos e pode ser prorrogado. A taxa de leasing é apoiada pelo ministério e é razoável.

Requisitos de investimento

A mina de ouro exigiria um investimento de 6 milhões de riais sauditas.

A mina de minério de ferro exigiria um investimento de 40 milhões de riais sauditas. A mina de sílica exigiria um investimento de 15 milhões de riais sauditas.

No total, espera-se que o primeiro investimento aproximado seja de cerca de 61 milhões de riais sauditas.

Parceria e retorno do investimento (ROI)

Os proprietários da empresa gostariam de oferecer a você uma parceria por meio do investimento em seu negócio de mineração.

O retorno esperado do investimento é alto, e essa oportunidade seria uma chance única de expansão para o setor de mineração na Arábia Saudita.
