

Mina de Exploração de Ouro Operacional

Mina de Exploração de Ouro Operacional

O Quirguistão possui várias das maiores minas de ouro na Ásia Central.

Localizado nas encostas norte do Kirghiz Range, nas áreas mais altas, com componentes do fluxo Karabulak, na área central do campos de minérios Bulakashinsky.

Rochas vulcânicas fazem parte da estrutura geológica do local. As rochas são representadas por andesitas e andesitas-basaltos, seus tufos e clastolavas. Rochas intrusivas são representadas por gabbro-shonkinites, syenite-diorites e granodiorites, que são fases separadas de um único complexo intrusivo. Uma característica única das formações deste complexo são suas formações em formato de folha, quedas gentis em angulso de 10º a 50º nas rochas vulcânicas-sedimentares próximas.

Com essas estruturas está associada a formação de zonas mineralizadas e corpos de minérios do depósito.

Mineralizações identificadas de ouro e cobre, assim como zonas de beresitization e silicification no local Severny são confinadas ou diretamente às intrusões de granodiorite ou, mais frequentemente, ao contatos intrusivos com rochas intrusivas e volcanogênicas.

Zone width beresitization here reaches the first tens of meters. traced length to 400 m. Among the beresites, the most intense veinlet silicification, bearing disseminated dissemination of sulfides of copper, lead, iron, molybdenum.

Keypoints

The gold deposit is actually one large field consisting of several gold deposits and 1 copper deposit. The seller claims of having a high grade of gold (gold content percentage per 1 ton). However, the field is not well developed. All data is collected by Soviet engineers and it seems nothing is done since that period.

The reserves qualified as P1 and P2 which is by Canadian or Australian standards are equal to: Exploration Results, Exploration Targets, Exploration Potential or even some may be as Inferred. These are lowest level of exploration

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
